

Come experience the

BOEING

NewGen Tanker

**Combat Ready
Lowest Total Cost
American Made**

You are cordially invited to join Boeing at Detroit Metro Airport in an event to showcase the Boeing NewGen Tanker for the ongoing U.S. Air Force KC-X competition.

Please join us to hear first-hand from Boeing about the capabilities and benefits of the NewGen Tanker, and the role Michigan will have in building this unique platform for the brave men and women serving our nation. Learn more about how the NewGen tanker is the best choice for the U.S. Air Force, the nation, and Michigan.

The Boeing NewGen Tanker means jobs for the country and jobs for Michigan.

- **50,000 NewGen jobs nationwide**
- **450 NewGen jobs in Michigan**
- **Over \$25M in annual economic impact for Michigan**
